

June 18th Program ~ Animal Nutrition

Come join us for a fabulous barbeque and discussion on animal nutrition by Mr. Jim Nau, Division Sales Manager for Boyers Best Pet Products.

The interactive presentation will be on dog foods and their nutritional value for our pets. Jim has more than 12 years of experience in cat and dog food nutrition, dog food manufacturing practices, and government guidelines. Jim gives numerous talks to veterinary groups and regional dog clubs throughout the year on the subject of animal nutrition and how their needs are met by the various foods on the market. This will be a very informative discussion for all of us Cairn owners.

**Lafayette Community Center
500 St. Mary's Road in Lafayette**
