The number of motels refusing dogs because of abuse of their premises continues to increase. We expect our exhibitors to be responsible guests. A report that an exhibitor at this show has abused motel property during this weekend will result in disciplinary action by the club. The Cairn Terrier Club of Northern California reserves the right to decline future entries from the offending party in accordance with the provisions of Chapter 11, Section 15 of the Rules Applying to Dog Shows.

When this premium list went to print, the following motels accepted well behaved Show Dogs. Make sure to check when making reservations. All dogs are required to be crated when left unattended. Please respect the motel grounds by cleaning up after your dogs.
